* Wicked Farben auf Grundierung W030 Wicked Opaque White, Detail Farben auf Grundierung W030 Opaque White bzw. W002 Black. Alle Farben wurden unverdünnt verarbeitet. Wicked Farben: Glanzgrad 70+°, Wicked Detail Farben Glanzgrad 30+°. Für die Produktion aller Wicked Farben werden ausschließlich lichtbeständige Pigmente verwendet. Die Farbe trocknet sehr schnell und erreicht nach der BWVS-Messmethode (die bis max. 8 reicht) eine Lichtbeständigkeit von 7 bis 8. Farben können druckbedingt abweichen. Machen Sie einen Farbttest, bevor Sie eine umfangreiche Arbeit beginnen.

* Wicked Colors applied over base W030 Wicked Opaque White, Detail Colors over W030 = applied over Wicked Opaque White / over W002 = applied over Wicked Black – All colors sprayed without reduction. Wicked Colors gloss levels = 70+degrees, Wicked Detail Colors gloss levels = 30+degrees, All colors are made with lightfast pigments which are rated 7-8 Blue Wool Scale. Color chart is a close representation of color. A test panel is recommended for actual colors.
